

Date: July 21, 2009

BID # & Title: SWA 09-23/PF Semi-trailer, Waste Hauling-Aluminum

RETURN DATE: July 30, 2009, before 2:00 PM

The following change/clarifications are hereby incorporated into the ITB document as follows. Pre-Bid Conference Sign-In Sheet is attached.

Page TEC Page 3 of 5 Item G (2)

Now Reads:

Entrance step to be mounted on left rear so as not to obstruct left rear turn and stop lights or incorporated into bumper. (see frame). Grab handle for step assist should be mounted on trailer side. 1/4"x2"x102" drip edge mounted 1/2" below the door. Bottom drip edge on driver's side to be notched out at step area to clear shin when stepping into trailer. Corners must be rounded at notch.

Step not to exceed 10" out from rear of trailer.

Change to Read:

Entrance step to be mounted on left rear so as not to obstruct left rear turn and stop lights or incorporated into bumper. (see frame). Grab handle for step assist should be mounted on trailer side. 1/4" x 4" x 102" drip edge mounted 1/2" below the door. Bottom drip edge on driver's side to be notched out at step area to clear shin when stepping into trailer. Corners must be rounded at notch.
