

DRAIN CLEANING SERVICES

Quotation Number 10-Q03/PF

September 16, 2009

PURCHASING SERVICES CONTACT: Phillip Ford, CPPB, PURCHASING SUPERVISOR

TELEPHONE NUMBER: 561-640-4000 X4528

All quotation responses must be received on or before SEPTEMBER 24, 2009, prior to 5:00 p.m., EST. Submit quotation to: Solid Waste Authority of PBC Purchasing Department, 7501 North Jog Road, West Palm Beach, FL 33412

PURPOSE

The purpose of this quote is to establish a term contract for **drain/lift station cleaning and pump and vector truck services at the SWA locations listed herein on an as needed basis.**

AWARD – Total Low Bid

Contract will be awarded to the total lowest and best bid from a responsive, responsible bidder, subject to the terms and conditions contained herein. Therefore, it is necessary for a bidder to bid on every item to have a bid considered. **It is also required that the bidder carefully consider each item, and make sure that each one meets the specifications as indicated. In the event that one item does not meet such specifications the entire group bid will be disqualified. The technical description for the product entered on the bid form must match the description exactly as it appears on the submitted product specification sheet with no deviation. If not, the bid will be deemed non-responsive.**

The Authority reserves the unqualified right, in the Authority's sole and absolute discretion, to reject any and all bid, to waive any irregularities, or to accept the Bid which, in the Authority's judgment, will under all circumstances, best serve the public interest.

QUALIFICATION OF BIDDERS, SERVICE/CONSTRUCTION

This bid shall be awarded only to a responsible bidder, qualified to provide the work specified. The bidder shall submit the following information with his quote or within three (3) days of request:

- A. Experience record showing the bidder's training and experience in similar work.
- B. List and brief description of similar work satisfactorily completed with location, dates of contracts, names and addresses of owners.
- C. List of equipment and facilities available to do the work.

Failure to submit the above requested information with quote, or within three (3) days of request, may be cause for rejection of your quote. Information previously submitted to the Authority in response to another competitive solicitation shall not satisfy this requirement. The term “*experience*”, as used in this requirement, shall mean the experience gained as and possessed by the business entity proper (single proprietorship, partnership, corporation, or joint venture) responding to this solicitation. It shall not mean the experience of individual employee(s).

CONTRACT PERIOD/ EXTENSIONS

The initial contract prices resultant from this solicitation shall prevail from October 1, 2009 through September 30, 2010. Prior to, or upon completion, of the initial term, the Authority shall have the option to renew this contract for an additional two (2) year period on a year-to-year basis. Prior to completion of each exercised contract term, the Authority may consider an adjustment to prices based on percentage changes in the following pricing index: Miami-Ft. Lauderdale, FL, Other Goods and Services (series Id: CUURA320SAG, CUUSA320SAG)

INVOICE INFORMATION

Invoices submitted, as a result of this quote, must contain the following information:

- 1. Purchase Order or Blanket Number.
- 2. Itemized cost per bid rate(s).
- 3. Copy of signed service ticket with Authority Representative’s signature verifying work has been satisfactorily completed.

DEBRIS

Contractor shall be responsible for the prompt and complete removal of all debris which is a result of this contractual service.

EQUITABLE ADJUSTMENT

The Authority may, in its sole discretion, make an equitable adjustment in the Contract terms and/or pricing if pricing or availability of supply is affected by extreme and unforeseen volatility in the marketplace, that is, by circumstances that satisfy all the following criteria: (1) the volatility is due to causes wholly beyond the Contractor’s control, (2) the volatility affects the marketplace or industry, not just the Contractor’s source of supply, (3) the effect on pricing or availability of supply is substantial, and (4) the volatility so affects the Contractor that continued performance of the Contract would result in a substantial loss. Any adjustment would require irrefutable evidence and written approval by the Director of Purchasing Services.

CANCELLATION, WITHOUT CAUSE

The Authority reserves the right to cancel this contract without cause via ten (10) day written notice.

ASSIGNMENT, SUBCONTRACT

Contractor shall not transfer, convey, pledge, subcontract or assign the performance required by this bid without prior written consent of the Authority's Purchasing Services Department. Any award issued pursuant to this bid invitation and the monies which may become due hereunder are not assignable, transferable, or otherwise disposable except with the prior written consent of the Director, Purchasing.

LICENSES, PERMITS, AND CERTIFICATIONS

It shall be the responsibility of the Contractor to obtain, at no additional cost to the Authority, any and all licenses and permits required to complete this contractual service. A copy of these licenses and disposal permits for specific services contained in bid must be submitted with the bid.

1. The Contractor must be a State of Florida registered contractor for the services specified in this quote.
2. The Contractor's business must have a State of Florida certificate of authorization.

OCCUPATIONAL LICENSE

In order to provide services specified in this bid, a current occupational license issued in Palm Beach County is required. This license shall be issued for the services being bid herein. A photocopy of the license must be submitted within three (3) days of request.

METHOD OF ORDERING, BLANKET PURCHASE ORDER

A blanket purchase order shall be issued until the end of the fiscal year or for the term of the contract. The department(s) will order requirement(s) on an "as needed" basis. All terms and conditions of this quote are applicable.

PROTECTION OF PROPERTY

The Contractor shall at all times guard against damage or loss to the property of the Authority or of other vendors or contractors and shall be held responsible for replacing or repairing any such loss or damage. The Authority may withhold payment or make such deductions as deemed necessary to insure reimbursement or replacement for loss or damage to property through negligence of the Contractor or his agents. The Contractor shall also be responsible for the protection of his own equipment, supplies, materials and work, against any damage resulting from the elements (such as flooding, by rainstorm, wind damage, vandalism or other acts of God).

INSURANCE REQUIRED, GENERAL, SERVICE, DELIVERY, ETC.

The Contractor shall not commence work on any Authority Property until all insurance required as stated herein has been obtained and such insurance has been approved by the Authority.

All insurance policies shall be issued by companies authorized to do business under the laws of the State of Florida. The Contractor shall furnish certificates of insurance to the Authority's Risk Management Section prior to the commencement of services. The certificates shall clearly indicate that the Contractor has obtained insurance of the type, amount, and classification as required for strict compliance with insurance requirements as stated herein, and that no change or cancellation of the insurance shall be effective without thirty (30) days prior written notice to the Authority. Non-compliance with the foregoing requirements shall not relieve the vendor of their liability and obligations under this contract.

The Contractor shall maintain commercial liability insurance in the amount of \$1,000,000 per occurrence including products/completed operations.

The Contractor shall maintain comprehensive automobile liability insurance in the following amounts:

Bodily Injury and/or	\$ 1,000,000 each occurrence
Property Damage	\$ 1,000,000 aggregate
	or
Combined Single Limit	\$ 1,000,000 each occurrence/aggregate

These limits are to protect the Contractor and the Authority from claims for damage, which may arise from general operations or from the ownership, use, or maintenance of owned and non-owned automobiles, including rented automobiles whether such operations be by the vendor or by anyone directly or indirectly employed by the vendor.

The Contractor shall maintain Workers Compensation insurance as per statutory requirements and Employers Liability limits no less than \$500,000 per occurrence each accident; \$500,000 policy limit disease; \$100,000 disease,- each employee.

ALL insurance other than Worker Compensation shall specifically include the Authority as an "Additional Insured".

TECHNICAL SPECIFICATIONS

PERFORMANCE

All work to be performed per SWA supervisor instructions. Special jobs are to be scheduled in advance with vendor. Failure to adhere to scheduled appointment will cause immediate cancellation of contract.

RESPONSE TIME FOR ALL SERVICES

Routine Service: Shall be defined as Monday through Friday 8:00 a.m. through 5:00 p.m. within 24 hours of request.

Emergency Service: Shall be defined as within two (2) hours of request, 24 hours a day, 7 days a week including Holidays. Emergency rates shall be 1 ½ times routine service rates.

All service call tickets/invoices shall have the following:

- 1. Time arrived.**
- 2. Time job completed.**
- 3. Description of services at bid rates.**
- 4. Signature by authorized SWA employee.**

Any service tickets/invoices not showing the information listed above will be returned to the Contractor for non-payment until such time information is complete. The Authority's terms are "Net 30 Days" **after** acceptance of an acceptable invoice as described above. Hourly service charge will be one (1) hour at price quoted for each class of service requested. Hourly rate will be paid at a fractional quarter hour for actual time over one hour. There will be no rounding up to the next full hour.

Contractor shall furnish personnel and equipment necessary to perform services as specified. **No travel time or mileage will be allowed. Hourly rates shall commence upon arrival at site. Drivers of Pump and Vactor Trucks are to get as close to area to be serviced as possible. Awarded Contractor is to schedule service with transfer station supervisor.**

Item 1:

DESCRIPTION OF WORK: The work shall include, but not necessarily be limited to the following:

- 1) Grease traps – Pumped out and jetting up to 4 inches
- 2) Building and Storm drain lines – 1 ½ inches to 24 inches
- 3) Lift Stations

Must be able to access manholes. Snake and jetting may be required. Pumping truck should have 2000 gal capacity and must arrive on job site clean and empty of debris.

Vector Truck Service, Jet truck & Vector/Pump Truck

1. Leachate Stations - underground wastewater system
2. Detection Stations
3. Lift Stations
4. Manholes
5. Storm water sediment traps
6. Injection Wet Well (confined space entry and pressure cleaning required)
 - A) To include cutting with Buehler Milling Cutter (or equivalent) 4 to 12 inches diameter lines.
 - B) To include videotaping lines of sizes ranging from 4 to 12 inches. Explosion proof camera equipment must be provided.

The Vector/Pump Truck holding tank must arrive on the job site clean and empty of debris for all jobs at any Authority location.

For leachate stations, detection stations and lift station, SWA will pump a station down one at a time and pull the pump(s) for the Vector truck prior to start of cleaning sludge/debris from bottom of sump. Upon completion, the SWA will reinstall pump(s) into sumps and repeat procedure on next station as required.

Manhole and storm water sediment traps, will require sludge and debris to be removed. SWA will remove manhole cover and storm grates prior to starting of service.

Injection wet well will require confined space entry by certified trained personnel and conduct all air monitoring service in accordance with all federal, state, and local regulations. The SWA will lock-out all equipment leading into the wet well in order to completely isolate the confined space prior to the Vector/Pump truck arriving on site. The Vector Service Company will then follow its company policy on lock-out, tag-out procedures and apply its own locks to the locked out equipment. The Vector truck service company will be required to pressure wash walls and remove all sludge and debris from wet well.

DISPOSAL

- All liquid from Leachate Stations, Detection Stations and Manholes will be the Vector/pump truck responsibility to dispose at a licensed sanitary disposal facility in accordance with all federal, state and local regulations.
- Debris from Leachate Stations, Detection Stations and Manholes will be disposed at the SWA Class I Landfill at no charge to the Contractor.
- All liquid and debris from lift stations will be the Vector/Pump truck responsibility to dispose at a licensed sanitary disposal facility in accordance with all federal, state and local regulations.
- All liquid and debris from Storm water sediment traps and Injection Wet Wells (confined space entry and pressure cleaning required) may be disposed at the SWA Sludge Drying

Beds located at 6329 North Jog Road, West Palm Beach FL 33412, at no charge to the Contractor.

- All wastewater must be pumped out of an underground storage tank at the South County (Delray) Transfer Station and will be disposed of at a licensed sanitary disposal facility in accordance with all federal, state and local guidelines.
- Disposal facilities must be listed on Bid Form indicating liquid and chemical disposal.

Facilities Description:

The Authority's facilities consist primarily of, but not limited to, the following:

1. Administration Building located at 7501 North Jog Road, West Palm Beach, FL 33412
2. Maintenance Building located at 6255 North Jog Road, West Palm Beach, FL 33412
3. Resource Recovery Plant Scale house located at 6895 North Jog Road, West Palm Beach, FL 33412
4. North County Disposal Site Landfill Scale House located at 6330 North Jog Road, West Palm Beach, FL 33412
5. Utility Plant located at 6329 North Jog Road, West Palm Beach, FL 33412
6. Household Hazardous Waste Facility located at 6161 North Jog Road, West Palm Beach, FL 33412
7. Central County Transfer Station and Scale House located at 1810, Lantana Road, Lantana, FL 33462
8. North County Transfer Station and Scale House located at 14185 North Military Trail, Jupiter, FL 33458
9. West Central Transfer Station and Scale House located at 9743 Fairgrounds Road, Royal Palm Beach, FL 33411
10. Facilities located at Lantana Landfill, 9011 West Lantana Road, Lantana, FL 33467
11. Maintenance Building located at 9011 West Lantana Road, Lantana, FL 33467
12. Belle Glade Transfer Station located at 1701 State Road 15, Belle Glade, FL, 33430
13. Various Buildings and Office Trailers operated by The Authority throughout Palm Beach County.
14. Compost Facility located at 5890 and 5920 North Jog Road, West Palm Beach, FL 33412
15. Commercial Materials Recycling Facility 6550 North Jog Road West Palm Beach FL 33412
16. Visitor Center, 6501 North Jog Road, West Palm Beach FL 33412
17. Recycling Warehouse, 9401 Fairgrounds Road, Royal Palm Beach FL 33411

Additional facilities:

The Authority reserves the right to add additional facilities similar in design, style and size to any of those listed above. Addition of facilities will take place only upon written agreement between the Authority and the Awarded Contractor.
