

SWA Recycling Drop-off List

What is a Drop-off?

A drop-off is a container placed in a centralized location for small business recycling. The service is free and most locations can be accessed 24 hours a day. Most drop-off containers are located **behind** the business next to or near the garbage dumpsters.

What Materials are Accepted?

Most locations accept only paper products unless otherwise indicated. Paper items can be placed in a plastic bag. Cardboard boxes must be flattened and placed loosely in the container.
