

## The New Virtual Volunteer Workforce

The SWA is keeping our environmental mission moving forward. We are now offering a Virtual Volunteer Experience to support the needs of the community we serve.

Everyone is now looking for ways to support their local communities, especially students and virtual volunteering, as well as DIY volunteer projects and remote opportunities, allows people of all ages to get involved from the comfort of their own homes.

Virtual volunteering is an easy and time-efficient way to give back at your own pace. In addition, it offers students many opportunities to earn community service hours for school as well as providing volunteers a way to give back to causes greater than themselves.

### Here's how to get started today!

- Fill out an SWA Volunteer Application online at [swa.org/Volunteer-Application](http://swa.org/Volunteer-Application)
- Schedule an online interview with our Volunteer Coordinator
- Log your time and earn **#GreenThings** volunteer hours
