What You Need:

- Shoe box lids (Large, Medium and Small sizes)

- Craft Paint (you pick the colors)
- Paint Brushes
- Stencils
- Spouncers (sponge stencil brush)
- Thumb tack and rubber putty

Steps:

1. Start by choosing a color pallet and laying out your shoe box lids in the arrangement you want to hang them.
2. Next paint each box lid (you pick the colors) use two coats of paint for each lid.
3. Using the stencils and sponcers, add your design by carefully saturating the tip of the brush, removing some excess, and stamping the paint down onto the stencil in and up and down motion. This helps to prevent bleeding.

4. Allow each box lid to dry in between stencils.

5. Use a thumbtack to hang your box lid, you can also add rubber putty at the tip of your thumbtack to prevent slipping. Voila!

6. Happy Decorating!

Stay tuned for next month's Virtual Volunteer **#OneGreenThing** Opportunity!
